The Chapter Brochure

One of the benefits of membership in the Puget Sound Chapter of APG is having your name and contact information included in our Chapter Brochure and on our Chapter webpage so it is very important that you complete this form carefully.

Our Chapter Brochure is updated regularly. The following information is included: Your Name, Your Company Name, your phone number, e-mail and website. It is your responsibility to check the information and make sure it is up-to-date and accurate and to keep the President and Treasurer advised of your membership in both APG National and PS-APG.

The Chapter Website

PS-APG Chapter website www.psapg.org. It can also be reached by going to the APG National website and clicking on Chapters.

Please fill out this additional information for your entry to the Chapter website.

- Research specialties cover things like federal records, heir research, lineage societies.

- Geographic specialties would be areas like Puget Sound, New England, specific states like Minnesota, countries etc.

In the biography you can include your educational level, societies you are a member of like Seattle Genealogical Society (we will provide a link), your particular genealogical interests and accomplishments, travel for research purposes, how long you have been researching. You have a lot of leeway to be creative here.)

Other Services Offered: Includes topics like lectures, photographing of tombstones, writing family life stories, etc.

Please feel free to attach additional information to this page especially under the Specialties and bio areas.

Please Note: Changes to the Chapter webpage do not cover changes to the National APG membership webpage. You will need to go to the national website and log on to the member's only section and make your changes from there. www.apgen.org
